

# Service Opportunities at *Feed My Starving Children* 2010 -2011

**Looking for a rewarding way to serve others who are in need?**

Consider giving your time and energy at a  
*Feed My Starving Children* facility.

These facilities offer people ages 8-adult an opportunity to manually package dehydrated meals that are shipped to hungry children in orphanages, schools and clinics around the world. It's easy and rewarding. Look through the eight month schedule below and pick out some dates that work for you. Each month you will have an opportunity to sign up and then meet at the corresponding site.
